

Become a Transformational Employer

Change Lives, Change Your Community

The purpose of transformational employment is to connect recovering individuals with meaningful employment opportunities. Employment is proven to be a critical aspect in achieving long term recovery. Our goal is to remove the stigma around recovery, change society's perception of transformational employment, and place recovering individuals in meaningful positions across twelve counties.

Incentives to Hire (offered by Fahe)

- 8 months of paid salary and benefits for intern
- Paid training for intern
- Paid training for employer
